Letters to the editor

Thanks for your support

Dear Editor:

The Committee to Restore Carbondale City Hall would like to thank all area residents and others for supporting out 50-50 Raffle for the restoration work on the city hall building. We sold 1,070 tickets and our winner was Mrs. Mamie Martzen on Carbondale, who received her check of $535 from the committee last week.

The support from city residents, and particularly from former residents who have moved away from the Pioneer City but not forgotten her in this time of need, is particularly heartwarming and makes all the committee members feel their time and effort in this great undertaking is extremely worthwhile. The support we have received from the business and private sector of this area has continued to grow weekly and we look forward to making this effort a totally 100 percent community-supported project.

Again, speaking on behalf of all the committee members, a very sincere "Thank You."

Signed,

David Baum
Vice President
Committee to Restore
Carbondale City Hall
